Rodrigo Siza appointed Lectra Portugal director

Paris, June 22, 2007 – Lectra, world leader in integrated technology solutions for the soft goods industries, is pleased to announce the appointment of Rodrigo Siza as Director of Lectra Portugal. Reporting directly to Lectra CEO, Daniel Harari, he will be based in Porto.

Rodrigo Siza, 40, has extensive experience in the textile industry, in both sales and management positions. Before coming on board at Lectra, he was director of sales at RPB Têxteis e Vesturário, an apparel company of the Riopelle group. From 2000 to 2004, he was in charge of «design and merchandizing» solutions at Lectra Portugal, and then worked as an international consultant. From 1991 to 1999, Rodrigo Siza was an associate and manager of V-Sistemas Informática, a company specialized in development, consulting and distribution of technological solutions for the textile industry.

Rodrigo Siza holds a Masters in marketing from the University of Minho (Portugal).

Among Lectra Portugal's 450 clients from the fashion, furniture and automobile industries are major names such as: Arco Têxteis, Coindu, Derone, Diniz & Cruz, Flor Da Moda Confecção, Impetus and Petratex. Founded in 1985, the subsidiary counts 3200 licenses and 1300 equipments installed.

About Lectra

Lectra is the world leader in integrated technology solutions that automate, streamline and accelerate product design, development and manufacturing processes for the soft goods industries. Lectra develops the most advanced specialized software and cutting systems, and provides associated services to a broad array of markets including fashion (apparel, accessories, footwear), automotive (car seats and interiors, airbags), aeronautical, marine and furniture. Lectra serves more than 17,000 customers in over 100 countries with 1,500 employees and \$272 million in 2006 revenues. Lectra is listed on the Euronext Paris stock exchange.
